

## NeuroPace to Participate in Two Healthcare Conferences in May

May 14, 2024 at 4:05 PM EDT

MOUNTAIN VIEW, Calif., May 14, 2024 (GLOBE NEWSWIRE) -- NeuroPace, Inc. (Nasdaq: NPCE), a medical device company focused on transforming the lives of people living with epilepsy, today announced it will participate in two healthcare conferences in May. NeuroPace management will participate in the Wells Fargo 2024 West Coast MedTech Tour at 2:30pm PT on Tuesday, May 28 in Menlo Park, CA. The format will be a fireside chat with a group of investors.

NeuroPace will also present at the Leerink Partners Healthcare Crossroads Conference, which takes place May 28-30, in Austin, TX. Joel Becker, NeuroPace's Chief Executive Officer, will provide a corporate presentation on Thursday, May 30 at 8:00am CT, and management will participate in one-on-one meetings with investors during the conference. The presentation will be accessible via a live webcast [here](#). A webcast replay of the presentation will be available on the Events section of NeuroPace's Investor website at <https://investors.neuropace.com/news-and-events/events>.

### **About NeuroPace, Inc.**

Based in Mountain View, Calif., NeuroPace is a medical device company focused on transforming the lives of people living with epilepsy by reducing or eliminating the occurrence of debilitating seizures. Its novel and differentiated RNS System is the first and only commercially available, brain-responsive platform that delivers personalized, real-time treatment at the seizure source. This platform can drive a better standard of care for patients living with drug-resistant epilepsy and has the potential to offer a more personalized solution and improved outcomes to the large population of patients suffering from other brain disorders.
