

## NeuroPace to Participate in Upcoming Healthcare Conferences in September

August 22, 2024 at 4:05 PM EDT

MOUNTAIN VIEW, Calif., Aug. 22, 2024 (GLOBE NEWSWIRE) -- NeuroPace, Inc. (Nasdaq: NPCE), a medical device company focused on transforming the lives of people living with epilepsy, today announced it will participate in two healthcare conferences in September. NeuroPace management will host one-on-one meetings with investors at the Wells Fargo 2024 Healthcare Conference, on Wednesday, September 4 in Boston, MA.

NeuroPace will also present at the Morgan Stanley 22<sup>nd</sup> Annual Global Healthcare Conference, which takes place September 4-6, in New York, NY. Joel Becker, Chief Executive Officer, and Rebecca Kuhn, Chief Financial Officer, will participate in a fireside chat discussion on Friday, September 6 at 8:30am ET, and host one-on-one meetings with investors during the conference. The fireside chat will be accessible via a live webcast [here](#) and a replay will be available in the Events section of NeuroPace's Investor website at <https://investors.neuropace.com/news-and-events/events>.

### **About NeuroPace, Inc.**

Based in Mountain View, Calif., NeuroPace is a medical device company focused on transforming the lives of people living with epilepsy by reducing or eliminating the occurrence of debilitating seizures. Its novel and differentiated RNS System is the first and only commercially available, brain-responsive platform that delivers personalized, real-time treatment at the seizure source. This platform can drive a better standard of care for patients living with drug-resistant epilepsy and has the potential to offer a more personalized solution and improved outcomes to the large population of patients suffering from other brain disorders.
